Portfolio: usmandevv.vercel.app

PROFESSIONAL SUMMARY

Computer Science student (7th semester) specializing in MERN Stack development, mobile application development, and modern software engineering practices. Experienced in designing and developing responsive web applications, cross-platform mobile apps, RESTful APIs, and database-driven systems. Skilled in React.js, Node.js, Express.js, MongoDB, Firebase, Flutter, and API integrations. Focused on writing clean, maintainable code and creating scalable solutions with strong user experience.

PROJECTS

HR Management App – Human Resource Management System

- Developed a full-stack HR management platform to simplify employee management and organizational workflows.
- Built interactive dashboards and responsive interfaces for managing employee-related operations.
- Implemented API communication and structured database handling for reliable data management.
- Applied reusable components, organized architecture, and modern development practices.
- Live Project: hr-managementapp.vercel.app

Luxe Grooming – Salon Web Application

- Developed a salon booking and management solution using React JS, Tailwind CSS, Express JS, and MongoDB.
- Created responsive frontend components with modern UI practices.
- Built backend services and REST APIs for application operations.
- Implemented appointment booking and admin dashboard features for managing customers and services.

TECHNICAL SKILLS

Frontend Development	HTML5, CSS3, Tailwind CSS, JavaScript ES6+, React JS, Responsive UI Design
Backend Development	Node JS, Express JS, REST APIs, FastAPI (Python), Server-side Logic
Mobile Development	Flutter, Dart, Firebase, Cross-platform App Development, Mobile UI/UX
Databases	MongoDB, MySQL, PostgreSQL, Firebase Firestore, Database Design
APIs & Integrations	REST API Integration, Agora SDK, Third-party Services
Tools	Git, GitHub, VS Code, Android Studio, WebStorm, Microsoft Office
Deployment	Vercel Deployment, Hosting, Production Configuration

EDUCATION

BS Computer Science (Post-Associate) | 2025 – 2027

University of Education, Lahore

Associate Degree in Computer Sciences | 2023 – 2025

Riphah International University, Lahore

Intermediate (ICS) | 2020 – 2022
Government College Gulberg, Lahore

Matric | 2018 – 2020
City District Govt Boys High School, Lahore
